ACADEMIC HISTORY

LAMBDA SCHOOL ACADEMY OF COMPUTER SCIENCE & SOFTWARE DEVELOPMENT
Full Stack Web | Computer Science
March 2019 - October 2020

- Learn how to actively retain /apply technical knowledge

- 1,500–2,000 hours of training comparable to 4 year CS degree

- Utilized agile software development and Git workflow on all projects

- Immersive hands-on curriculum focused on computer science, software engineering, & web development

CAREER SUMMARY

TEAMLEAD IV, TEAMLEAD II, TEAMLEAD II, TEAMLEAD I
Lambda School | September 2019 - Present

- Delivered daily 1-on-1 feedback & code reviews
- Build camaraderie, facilitate standups, offer technical insight
- Spearheads a team of 6-12 junior developers

SURGICAL TECHNICIAN II
SURGICAL TECHNICIAN I
KENNEL STAFF
Boyce-Holland Veterinary Services |2010 -2016

- Responsible for daily care of all surgical patients
- Assist doctors and vet techs with pre-, peri-, post-operative care
- Train others to utilize patient care protocols
